

## **Student Residence Waldhaus**

The Waldhaus student residence was built in 1976 and completely renovated in 2010. The Studentenwerk im Saarland e.V. is the provider of this facility, which currently has 323 housing units. Housing is available for individuals as well as for couples and families with children.

### **Location**

The residential complex is characterized by its excellent location, as it is within easy reach of Saarland University, the Saarland University of Applied Sciences (htw saar) and Saarbrücken's city center.

The walking distance to the campus Rotenbühl is only 3-5 minutes.

Parking spaces for the car are also available on the premises as well as a free parking lot right next to it, which is however always very full during lecture times.

Opposite the dormitory is the Waldhaus sports field and the soccer field next to it.

At Ilseplatz, which can be reached by a 5-minute walk, there is a bakery and a restaurant.

The nearest grocery store is Netto in Meerwiesertalweg and is within 15 minutes walking distance.

Another bus stop is located at Ilseplatz and the last bus stop is Prinzenweiher. Both can be reached within 10min.
